

The Learning By Xample Institute (LBXi) is offered through From Glory 2 Glory, Inc. for youth leadership, career and community development. Its mission is to assist young people with the discovery, development and deployment of the leader within them for life, work and community. Core areas of integration include purpose identity, leadership skills, and career awareness & exposure. The LBXi signature program consists of the Life & Leadership Skills and the Career Awareness & Exposure modules provided one evening per week for two hours over a seven-week period during the Fall (Oct-Nov) and Spring (Mar-Apr).
